

## Galle Fort Chai

0 made it | 0 reviews

The Galle area in the south of Sri Lanka has been an important port in trade routes for thousands of years. Ships from all over the world passed by and traded their goods. The region produces one of the finest low-grown teas and is also known for its real cinnamon. This drink is a tribute to the biggest fort in Sri Lanka. The special texture that the saffron gives to the drink results in a luxurious experience.
