• For the jelly, infuse 160ml warm water with the tea bags for 10 minutes. Soak the gelatine in a bowl of cold water for 5 minutes to soften. Gently squeeze gelatine to remove excess liquid. In a small saucepan, heat remaining ingredients over low heat to combine flavours. Stir through gelatine until dissolved. Strain through muslin cloth or very fine sieve and set in a tray. Chill in the fridge for at least 2 hours.

#### Sashimi of Blue Fin Tuna

• Combine the créme fraîche with the lemon juice and season to taste. To assemble allow 2 slices of tuna per person and place on a plate. Cut the jelly in 1.5cm squares and lay on top of the fish. Place a small dollop of the créme fraîche on top of the jelly and a generous spoon of caviar. Season lightly with sea salt and cracked white pepper. Drizzle with olive oil, garnish with the baby shiso leaves and serve.
