

Walker's Chai

0 made it | 0 reviews

John “Johnnie” Walker came to the idea of blending his whiskies after he successfully blended his teas in his grocer’s shop in the mid 1800’s. The ground black pepper and cloves match perfectly with the notes of nutmeg and vanilla in the whisky while the malty notes in both the tea and the whisky form a steady base for the character in the chai. The honey and the orange zest give the drink a pleasant ring.
