Used Teas

t-Series The Original
Earl Grey

Ingredients

Earl Grey Hot-t

- 1 teaspoon Dilmah t-Series The Original Earl Grey
- 200 ml Water

Methods and Directions

Earl Grey Hot-t

- Draw fresh cold water into a kettle and bring to a boil.
- Pour the boiled water into a clean and dry ceramic teapot containing a teaspoonful of tea per person.
- Take care not to use too much water as this will produce a light infusion, whilst too little could make the tea excessively strong.
- Around 200ml of water per teaspoonful of tea would be ideal.
- Stir after one minute and allow to steep for a further 2 or 3 minutes and serve.
- This tea has a pronounced character and is ideal without milk, and if sugar is desired, use a small amount or try honey as a natural sweetener.
