Ingredients

Ceylon Young Hyson Green Hot-t

- 1 teaspoon Dilmah t-Series Ceylon Young Hyson Green Tea

Methods and Directions

Ceylon Young Hyson Green Hot-t

- To brew, use a clean and dry ceramic teapot containing approximately one teaspoonful of tea per person.
- Boil fresh water, leave to cool for a minute or so and then pour directly onto the tea leaves inside the teapot.
- Use approximately the same volume of boiled water as cups of tea you wish to brew.
- Leave to infuse for around two minutes, depending on the preferred strength.
- For a stronger cup, brew for 2.5-3 minutes, remembering that a longer infusion will make the tea bitter.
- To produce a second infusion, refill the teapot and follow the brewing process described above.
- Do not add milk or sugar.
