Used Teas

t-Series Prince of
Kandy

Ingredients

Prince of Kandy Hot-t

- 1 teaspoon Dilmah t-Series Prince of Kandy Tea

Methods and Directions

Prince of Kandy Hot-t

- Draw fresh cold water into a kettle and bring to a boil.
- Pour the boiled water into a clean and dry ceramic teapot containing a teaspoonful of tea per person.
- Take care not to use too much water as this will produce a light infusion, whilst too little could make the tea excessively strong.
- Around 200ml of water per teaspoonful of tea would be ideal.
- Stir, after one minute and allow to steep for a further 2 to 3 minutes and serve.
- This is a delicate tea, best taken without milk and if sugar is desired, use a small amount or try honey as a natural sweetener.
