Methods and Directions

Spinach Wraps with Basil, Cashew Cheese, Olives & Marinated Vegetables with Natural Green Tea and Sweet Chili Nam Jam

For the spinach filling:

- In a large pot bring salted water to a boil.
- Cook the spinach uncovered in the bubbling water for about 1 minute until it gets bright green. Then immediately scald in prepared ice-water (to stop the cooking process and to preserve all vitamins).
- Then squeeze the spinach well, and finely chop.
- Roast the vegetables, cut in half and cut into batons.

To prepare the wraps:

- Heat up the tortilla wraps in a large pan without oil briefly, (optional).
- Build the tortilla and roll it up. Cut in an angle to serve with peanut sauce.

Peanut Sauce

- Mix them well and set it aside for the flavoured to mix.
