Methods and Directions

OTAK OTAK MILLE FEUILLE

Otak Otak Mousse

- Purée the fish and prawns to a fine paste.
- In a pan heat oil and add turmeric, lime leaves, green chilli, ginger flower, lemongrass, pepper and sugar.
- To this mixture add the fish & prawn purée. Then add the coconut milk and cook thoroughly until all the liquid has evaporated and a thick mass is formed.
- Allow to cool thoroughly as the flavours become more pronounced.

Coconut Lemongrass Gelee

- Boil coconut milk with lemon zest and lemon juice. Take care to ensure that the coconut milk doesn't split.
- Bloom gelatin on the side. Mix the bloomed gelatin with the hot coconut milk and mix well until completely dissolved. Allow to cool thoroughly.

Sambal Udang Kelapa

- Roast the dried red chilli. Once roasted, cool and deseed to reduce the pungency.
- Cook the prawn with oil in a saucepan. Cool.
- Once cooled take all the ingredients – the cooked prawns, garlic, onion, chilli, salt, sugar and freshly grated coconut, and blend well until it becomes a paste
