Methods and Directions

White Chocolate and Dilmah Spice Chai Tea-infused Fudge

- Grease and line the base and sides of a 25 x 35cm slab pan with baking paper, allowing the sides to overhang.
- Combine the glucose, butter, cream and sugar in a large saucepan over low heat. Cook, stirring, for 10 minutes or until sugar dissolves.
- Increase heat to high and bring to a simmer. Cook, without stirring, until mixture reaches 120°C (softball) on a candy thermometer.
- Remove from heat.
- Place the chocolate in a large heatproof bowl. Tear the Ceylon Spice Chai tea bags and add the tea leaves to the sugar syrup. Stir to combine.
- Pour over chocolate and stir until chocolate melts and mixture is smooth. Pour into the prepared pan. Set aside for 6 hours or until fudge is firm to the touch and set.
- Turn fudge onto a clean work surface. Cut into small squares and top with silver leaf to serve.
