Cheese on crackers
I want cheese on everythin'
But if I carry on this way
I never will be thin*

On the warm, brown egg

"Ceylon Cinnamon Tea"

*The scent of heat, the scent of sweet,
the heart of gold
So might we use a mortar and pestle
To make it hands-on
To feel the crushing, the pressure
Of grinding down
to just-right measure
I feel heavy with reason*

*She is always asking for more
More hours making words
more days finding the things she loves*

*people, art, a good font
But she gives me chocolates
How can I say no?*

“Light in the Darkness”

A hen can lay a big brown egg

A hen can stand on just one leg

A hen can run

A hen can walk

A hen can say 'bawk, bawk, bawk'

But do you know what a hen can't do?

A hen can't drink tea like you

*Honey is embalming
(It takes something bitter)*

*Honey is immortal
(turns it into something sweeter)
Honey is a product of life*
