

Aroy mak ma!!!
Thai Teas are so delicious

This afternoon chef made me a **Pla Haeng Tangmo**,
a dried salmon fish with **watermelon**, deep fried shallots,
sesame cracker, **mango** & **orange marmelade**, which I ate with a
Rose with **French vanilla** flavoured black tea

Another amazing experience
with a food and tea pairing

This tea was so good that back at my hotel I asked the bartender
to make me one, and he revisited it in a fine dinning style !

High Cha Yen

2 pcs of Fresh Ginger
2 pcs of Star Anise
30 mL Black tea with Mango flavour
90 mL of natural Ceylon Ginger tea
whipped Coconut cream

One of my best
picture so far !

Then, I treated myself to a **Chocolate tube**,
it was composed of black & white chocolate mousse,
mango rip, coconut syrup and mint tea macaroon

I'm still thinking about it !
