Neither too strong nor too light, a delicious tea to wake up to, to revive or simply relax with. A tea for connoisseurs.

AROMATIC EARL GREY TEA

A bold and bright single region Ceylon Tea, grown at around 2000ft. above sea level, and gently fused with Bergamot flavour. The result is a balanced, medium strength tea with the citrus note that is known as Earl Grey. This floral and fruity flavour balances the strength of the tea to offer a refreshing and delightful tea.

SPRINGTIME OOLONG WITH GINGER

A beautifully rolled Oolong with a light, bright and elusive natural floral note, subtly complemented by natural Ginger. An intense aroma with the infused leaf yielding orchid and spice notes. Delicate and delightfully different, a light tea with a mild, spicy secret, perfect at any time of day.
